Scan to Verify

The PCI Data Security Standard is used by all major card brands as the common security standard for their compliance programs. Brands and programs include:-

- VISA USA - (CISP - Cardholder Information Security Program)
- VISA International - (AIS - Account Information Security)
- MasterCard Worldwide - (SDP- Site Data Protection)
- American Express - (DSOP -Data Security Operating Policy)
- Discover Network - (DISC - Discover Information Security and Compliance)
- JCB - Fully supports the PCI DSS mandate

Disclaimer:

- For the Scope, Locations and the Services covered under PCI-DSS version 4.0.1 certification refer to AOC.
- This certificate does not substitute for the need to register with the card brands directly.
- The certificate is only relevant to compliance conditions as described within the PCI-DSS version 4.0.1 standards. For any queries, please contact info@5tattva.com or visit us at <https://www.5tattva.com>
